Unquestionably the greatest female chess player of all time, Judit Polgar has single-handedly disproved the notion that women are incapable of competing with men in chess. Her fierce attacking style is capable of striking fear into the heart of any opponent.

We will be hosting an event to coincide with her own “Global Chess Festival” on October 14th in the Talbot Hotel with a junior event running from noon until 4.30pm and a FIDE rated blitz-for-all and simultaneous display by FM Conor O’Donnell starting at 4.30pm. Hope to see you there!
